

UHC_MMC_Social_Costs You Could Pay With Medicare_FINAL

An animated white speech bubble appears over an animated character's yellow and blue head.

ON SCREEN TEXT: What are the costs
 you could pay with
 Medicare?

The speech bubble and character fall away. Blue text appears surrounded by animated dollar signs on a light blue background.

ON SCREEN TEXT: There are four kinds of costs you
 may pay with all Medicare plans.

The text and dollar signs fall away. Darker blue text appears surrounded by animated calendars on a light blue background.

ON SCREEN TEXT: 1
 Premiums
 A fixed amount you pay to
 Medicare, a private insurance
 company, or both. Premiums
 are usually charged monthly
 and can change each year.

ON SCREEN TEXT: January
 June
 February
 April
 May

The text and calendars fall away. Darker blue text appears above an animated piggybank graphic on a light blue background.

ON SCREEN TEXT: 2
 Deductibles
 A set amount you pay out
 of pocket for covered
 health services before your
 plan begins to pay.
 RX

The text and piggybank fall away. Darker blue text appears surrounded by animated green and white circles on a light blue background.

ON SCREEN TEXT: 3
Co-payments
A fixed amount you pay when
you receive a service covered
by Medicare. Your plan pays
the remaining amount.

The text and circles fall away. A white and green circle splits in two, the white half falling to the left and the green to the right. Darker blue text emerges in the center of the screen on a light blue background.

ON SCREEN TEXT: 4
Co-insurance
This is when you and your plan
split the costs of a covered
service. How much you pay and
how much the plan pays can
vary based on the plan.

The text and half circles fall away. White text appears on a blue background.
