

Dear Member,

Please read the important instructions in this letter regarding requesting disenrollment from UnitedHealthcare®.

Please look at the checklist below and see what situation applies to you. Each option will let you know what you'll need to do. If you need to use the disenrollment form, it's included with this letter.

- I want to switch to Original Medicare only. I don't want Medicare Prescription Drug coverage. Please complete and submit the disenrollment form.
- I want to enroll in (sign up for), or have already enrolled in another Medicare Prescription Drug plan or Medicare Advantage Prescription Drug plan. You don't need to use the form. When you enroll in one of these plans, Medicare will automatically end your current plan coverage.

#### How do I submit the disenrollment request?

If you want to disenroll from UnitedHealthcare, you may fill out the attached form, sign it and send it back to us at:

UnitedHealthcare  
P.O. Box 30769  
Salt Lake City, UT 84130-0769

You can also submit the form online or fax the form with a readable signature and date to us at 1-888-950-1169.

Instead of sending a disenrollment request to UnitedHealthcare you can also call Medicare at 1-800-633-4227, 24 hours a day, 7 days a week, to disenroll by telephone. TTY users should call 1-877-486-2048.

If you have any questions, please call the number on the back of your member ID card.

More Information

## If I complete and submit the disenrollment form, how will I know when I can disenroll or change plans?

After we receive your completed form, we'll let you know if you can disenroll. If you can, we'll send you a letter with the disenrollment date. The disenrollment date is the last day you are a member of a plan.

## What should I do about filling prescriptions?

You can fill prescriptions at your plan's network pharmacies until the disenrollment date. The plan may not pay for prescriptions filled at out-of-network pharmacies, except in emergencies. After your disenrollment date, the plan won't cover your prescription drugs.

## When can I change plans?

You can switch, disenroll from, or enroll in a Medicare plan from October 15 to December 7. This is the Annual Enrollment Period.

If you qualify for Extra Help, you may change plans once per quarter for the first 9 months of the year. If you lose Extra Help, you can change plans up to 3 months after you lost it or after you're notified that you no longer qualify (whichever is later).

## How do I find out about other Medicare plans in my area?

Call the number on the back of your ID card to find out if we have other plans available in your area. You can also visit [www.medicare.gov](http://www.medicare.gov) or call Medicare at 1-800-633-4227, TTY 1-877-486-2048, 24 hours a day, 7 days a week.

## What is Extra Help?

If you have a limited income, you may be able to get Extra Help from Medicare to pay for your prescription drug costs. If you qualify, Medicare would pay for 75 percent or more of your:

- Monthly prescription drug payments
- Annual deductibles
- Coinsurance

Many people qualify and don't know it. There's no penalty for applying. And, with Extra Help you won't have a coverage gap or a Late Enrollment Penalty (LEP).

For more information call Social Security toll-free at 1-800-772-1213, TTY 1-800-325-0778 or visit [www.socialsecurity.gov/prescriptionhelp](http://www.socialsecurity.gov/prescriptionhelp). You can also call your local Social Security office.

If you qualify for Extra Help, you may change plans once per quarter for the first 9 months of the year. If you lose Extra Help, you can change plans up to 3 months after you lost it or after you're notified that you no longer qualify (whichever is later).

### What if I have questions about the form?

Please call us at the number on the back of your member ID card.

Sincerely,

The UnitedHealthcare Team
